

SLEEPY JEAN'S HOLIDAY TREATS!

WINE FUSIONS – WHAT ARE THEY?

Wine Fusions are a mixture of local wines from Jefferson Hill Winery and Guesthouse or Blue Jacket Crossing Winery and Sleepy Jean's chocolate. They are incredible party appetizers and/or desserts – just open the lid and set out with your favorite party food. No mixing or last minute runs to the grocery store because you forgot part of the dip recipe. The red wine fusions are perfect with cookies, strawberries, pretzels, and ice cream. The whites go fantastic with a variety of fruits and cheesecakes! Sleepy Jean's newest favorite is Blue Jacket Crossing's Fado (Port-Style) Wine Fusion. It is an incredible appetizer with cheddar cheese or cheddar crackers. Yes – we did say cheese!

Wine Fusions are an Absolute Must for that that Wine Lover's Stocking!

Jefferson Hill Winery Fusions 4.0 oz jar \$9.99 or 2 jars for \$18.50

Catawba Fusion

Jefferson Hill's Catawba is an off-dry white wine offering bold, fruit forward essences of tropical fruit with a citrus finish. Combined with Sleepy Jean's 42% dark chocolate, this combination is our sweetest mix, loved by milk chocolate lovers! It goes great with cookies, fresh strawberries and as a topping for cheesecake.

Jeff Red Wine Fusion

Jeff Red is an off-dry red wine with hints of red fruit and blackberries. Combined with Sleepy Jean's 68% dark chocolate, the red wine flavor holds true to the end! This was the first fusion permanently sold by Sleepy Jean's and is our #1 seller. Red wine lovers just can't say no! It is wonderful with cookies or fruit, but most admit they eat it right of the jar by the spoonful.

Indian Summer (Elderberry Wine) Fusion

Jeff Hill's Indian Summer wine is a rich blend of grape and elderberry producing a sweet red wine. The fruitiness of the wine carries through Sleepy Jean's 68% dark chocolate for a long lasting shot of flavor. This continues to be Sleepy Jean's other personal favorite. It goes great with sugar or shortbread cookies or as a sauce on ice cream!

Vignoles Off Dry Fusion

Blue Jacket's Vignoles Off Dry was a Jefferson Cup Silver Winner. It is an off-dry white wine with just a touch of residual sugar with flavors of mango and tropical fruit. Combined with Sleepy Jean's 42% dark chocolate, this combination is unbelievable with kiwi or strawberries. Due to the popularity of the wine, we only have a limited number of these remaining!

Wolf Red Wine Fusion

Wolf Red is Blue Jacket's best selling red wine. It is a blend of Chambourcin and St. Vincent. It has a spicy fruit-forward front with a velvety dry finish which compliments Sleepy Jean's 68% dark chocolate just perfectly. Again, this fusion is great alone by the spoonful or with cookies, pretzels or ice cream. Another crowd pleaser - you know those red wine lovers.

Prairie Red Fusion

Not to be outdone by Wolf Red, Prairie Red is a semi-sweet Labrusca wine and stands on its own with Sleepy Jean's 68% dark chocolate. Sleepy Jean's made this fusion for Blue Jacket's customers that prefer Prairie Red over Wolf Red. Imagine that - Sleepy Jean trying to keep everyone happy!

Fado (Port-Style) Wine Fusion

YUM is all that we can say! The Fado wine has rich, smoky flavors of plum and toffee which combined with Sleepy Jean's 71% dark chocolate is a true masterpiece! Just pick your favorite cheddar (Sleepy Jean likes smoked cheddar) and spread on the fusion. You will be in heaven!
